To whom it may concern:

We are a translation and Interpreting company that uses the services of interpreters and translators of all languages.

We are pleased to inform you that Mr. Ester M. Klug has worked on assignments for us, as a Tagalog/English interpreter, for legal depositions, and she has performed excellently as a professional interpreter.

We were very happy with her performance and expect to continue using her services, whenever the Tagalog language will be required.

Sincerely

Grace Horn

President
